LA BIOSTHETIQUE

Discover together

At LA BIOSTHETIQUE UK we understand the importance and value of education. We are immensely proud of both our educational courses and our dedicated, professional team of educators and Artistic Associates. They all share a passionate philosophy that continual learning in this ever-evolving industry is a necessity for success.

For 2018 our educational aim is to help salons strive for excellence by developing, inspiring and growing talented hairdressers of all skill levels. The LA BIOSTHETIQUE education team have put together a curriculum of outstanding courses based on your feedback, combining this with their knowledge and expertise on new industry techniques and trends.

We limit delegate numbers on our courses to ensure students receive exceptional, personalised training that is guaranteed to leave you and your team feeling confident and motivated whilst having fun at the same time.

Welcome to a new way of learning – we can't wait to see what you can achieve!

LA BIOSTHETIQUE

Art of Colour

Learn the fundamental principles of colour with LA BIOSTHETIQUE. This one day course is a must-have for all colourists using TINT & TONE ADVANCED and will impart a strong foundation of knowledge to ensure your clients feel comfortable knowing you are an expert in your field. Root application, global colour and refreshing mid lengths and ends will be covered along with the importance of professional colour preparation and scalp protection. The experience you take away with you at the end of this day will leave you feeling assured of your skills and confident in your ability to deliver unique, professional colour services in your salon. This education course is great for beginners or for those who wish to refresh their knowledge in LA BIOSTHETIQUE TINT & TONE ADVANCED colour.

Student Profile: Beginner/Intermediate

Duration: 1 day

COLOUR

LA BIOSTHETIQUE

COLOUR

Art of Balayage

Balayage and freehand colour application is the most popular hair colouring request in UK salons today.

These colour must-have's create depth and dimension that leaves clients with beautiful sun-kissed and completely individual looks. Learning and perfecting freehand techniques will allow you to create these popular effects with great success and without the need for guesswork, allowing you to achieve fabulous results every time.

Student Profile: Beginner/Intermediate/Expert

Duration: 1 day

LA BIOSTHETIQUE

Art of Perfect Blonde

Achieving the perfect blonde colour every time takes skill, knowledge and confidence. This exclusive LA BIOSTHETIQUE course gives delegates an insight into the specific needs of blonde clients. Students will learn the theory, techniques and science of colour selection enabling them to undertake any blonde colouring service in their own salon assured of their proficiency.

This course will cover:

- Highlifting
- Decolouring
 - Toning
- Balancing
- Pastelization

COLOUR

LA BIOSTHETIQUE

COLOUR

Art of Colour Change

Colour Correction is an advanced skill and something that all colourists need to deal with on a weekly basis. This two day course is designed to give you in-depth knowledge on the rules of colour correction and colour change. Students will explore all the possibilities available to transform and correct client's existing hair colour and get perfect results every time. The education is designed to inspire experienced colourists and stylists as well as give you total confidence with TINT & TONE ADVANCED colour, allowing delegates to return to their salons as stronger team members.

LA BIOSTHETIQUE Colour Correction combines both theory and practical work across the two days and covers:

- Neutralization
- Re-pigmentation
- Removing unwanted colour
- Corrective services and trouble shooting

LA BIOSTHETIQUE

Colour Genius

Our Colour Genius Diploma is a unique four part course for experienced colourists and stylists who have a passion for what they do and aspire to be at the top of their game.

This prestigious diploma is an intensive course that will broaden and strengthen every delegate's colour knowledge and skills both technically and creatively. At LA BIOSTHETIQUE we are great believers in a full understanding of the science behind colour as well as developing strong practical skills, both of which will make them leaders in the art of colouring.

As a grand finale to the Colour Genius Diploma we invite you to Pforzheim, the research and production centre of La Biosthetique on the outskirts of the Black Forest in Germany. You will be invited to a unique artistic experience at the La Biosthetique Academy, staying at the grand Parkhotel with a celebration dinner and tour of the La Biosthetique facilities where you can experience the state of the art research and manufacturing processes which combine to create exclusive La Biosthetique products. Please note that delegates attending the course in Pforzheim are responsible for their own travel and transfers during their stay. Accommodation and meals will be provided for this trip.

Classic Cutting Masterclass

A Cutting Course that's guaranteed to boost your confidence and take away your fears and doubts!

The really good news is that it doesn't matter whether you've been cutting hair for years or are just learning at the moment, if your confidence needs a boost, the La Biosthetique Cutting Masterclass is the perfect course for you.

Over six days you'll learn, step by step, how to confidently create 12 amazing haircuts that take you from the basics right through to the very latest trend collection styles. You can think of this course like a confidence boosting sat-nav that guides you through the world of hair cutting!

- The La Biosthetique Cutting Masterclass presented by Stephen McCartney is run 1 day each month for six months from his Salon in Perth.
 - On each day you will develop an in-depth understanding of two haircuts
- The twelve haircuts you'll learn have been carefully chosen to teach every technique you'll ever need to confidently create any style in future
 - The pace of each day is kept relaxed so you'll find it easy to learn
- We will be cutting using high quality block heads so you don't need to find any models!

LA BIOSTHETIQUE

THE CULTURE OF TOTAL BEAUTY

What our salons think...

"This year our team have participated in many great LA BIOSTHETIQUE courses from colouring and cutting to styling. We have found the content invaluable, the educators professional and most importantly, the whole experience such fun. Our team left equipped with new skills and knowledge that translated directly to our salon. We are looking forward to training during the coming year with the team at LA BIOSTHETIQUE."

- **Madeline Norman, M.A.D., Hertfordshire**

"The Colour Genius Diploma has taken my colour knowledge to a whole new level. The standard of education I received throughout the course was exceptional and the icing on the cake was the amazing weekend in Paris – a truly wonderful experience"

- **Victoria Laws, The Avenue, Sheffield**

"I feel completely refreshed after our course – with colour and products! My team and I had a valuable two days and gained all the knowledge we needed to take back to the salon. Our educator was so professional but also fun and made everything easy to understand!"

- **Ange Jones, Trims, Shrewsbury**

"The training session we had on Monday was fantastic !! Beverley the educator who took the day has a very unique way of training that made it so easy to absorb. The whole day was a great update not only on cutting technique but also gave me great inspiration and new ideas on how to train my own team. Thank you!"

- **Philip Mills, Phillip Mills Hair Design, Wareham**

LA BIOSTHÉTIQUE

Sandra Kear

As Director of Education, Sandra is dedicated to delivering the highest quality education, training and support to La Biosthétique salons. Along with running the UK education team, Sandra teaches colourists and stylists both La Biosthétique hair colour and hair and scalp care. Her knowledge of TINT & TONE ADVANCED colour is unrivalled in the UK – she has been working with it for over 18 years and has personally trained over hundreds of colourists in that time. Equally she also feels passionate to share her knowledge of Scalp Specialisation, to enable the salons to treat and provide even more wellness and care for their clients today.

Jane Gay

Jane is a La Biosthétique colour aficionado. With over 30 years in our wonderful industry there really is no problem she cannot fix! Her love of colour started in earnest when worked alongside internationally renowned Guy Kremer. A passion for training and education soon followed as Jane established herself as salon colour trainer followed by becoming a tutor at Castle College.

Lena Zurlloh

With over a decade's international experience of La Biosthétique's brand, philosophy and complete product range, Lena has successfully trained over 1,000 colourists, stylists and educators across 250 salons and academies in Europe and the UK.

Since joining the UK team she regularly visits the La Biosthétique's International academy in Germany to bring home the latest knowledge and techniques. Lena thrives on applying her creative mind and engaging training approach to ensure salons are equipped to succeed, and with an attention to detail that is second to none she never leaves anything to chance.

Beverley Bates

The extensive list of Beverley's industry awards, accolades and accomplishments for her artistry, coaching and business skills are an impressive testament to her talent. With a firm focus on creativity, education and innovation, Beverley consistently pushes the boundaries, striving for excellence in all that she does.

La Biosthétique is delighted to offer cutting courses with Beverley in 2018. Her innate ability to combine precision cutting, on-trend looks and traditional techniques make her training seminars extremely popular with our salons and very much in demand.

James Boswell

James is a people person through and through and has used his fantastic can-do attitude to earn his reputation as an elite educator in male hairdressing and barbering. James' Modern Man Cutting Masterclass's are always extremely popular. His ability to cover modern, fashion-focused looks alongside more traditional techniques enables students to feel confident taking their newly learned skills straight back to the salon.

LA BIOSTHETIQUE UK EDUCATOR TEAM

Karen Grove

Karen's career in hairdressing has been filled with so much diverse experience. From being a salon manger to performing on stage at national hair shows, to being a judge for a prestigious under 25 UK colour competition – Karen has done it all. She is creative, passionate, inspiring and has a natural way of teaching which immediately puts students at ease and boosts their confidence.

Stephen McCartney

With over three decades of industry experience his true passion is precision cutting. He hones his craft to perfection both in his own salon, The Cutting Room in Perth and also on stage at national hair shows as well as running educational seminars. Stephen is a natural educator - students love his honest, approachable teaching style which allows them to develop at their own rate without feeling rushed or forced.

Nicola MacFadyen

Nicola is an experienced colourist, working as a salon manger in Perth for 15 years as well as training La Biosthetique salons to achieve beautiful, salon-friendly colour results. She is immensely passionate about education; passing on skills, techniques, knowledge and problem solving are what drives her to excel as a trainer. Nicola has been taught by International Colour Director Andrea Bennett, and uses her creative colouring skills to take students through the very latest on-trend colouring looks and techniques with her warm and friendly teaching style.

Jamie Ruddy

As a LA BIOSTHETIQUE colour expert, Jamie uses his industry expertise in areas such as catwalk, hair shows and education courses as well as working with clients in his own beautiful salon, Alchemy, in County Durham. His enthusiasm is both inspiring and infectious and his vast technical colour knowledge allows him to impart colouring skills that are original and stunningly creative. Jamie has an engaging, fun and contemporary teaching style which makes him a very popular educator with all students.
